

Tiny residues in NM-007262 from position 1 to 189

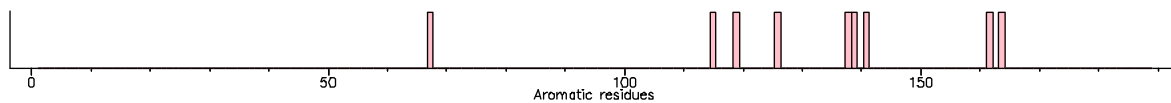

Small residues in NM-007262 from position 1 to 189

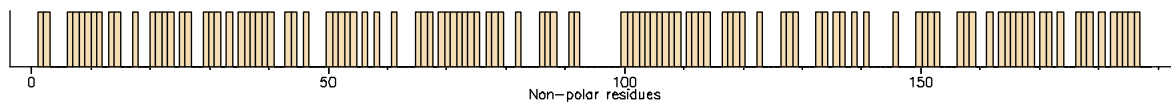

Aliphatic residues in NM 007262 from position 1 to 189

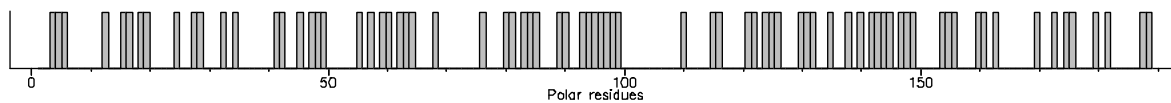

Aromatic residues in NM-007262 from position 1 to 189

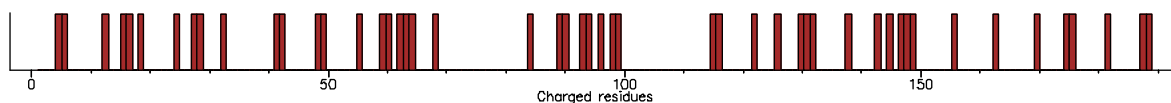

Non-polar residues in NM 007262 from position 1 to 189

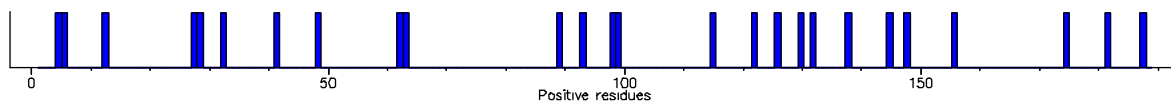

Polar residues in NM-007262 from position 1 to 189

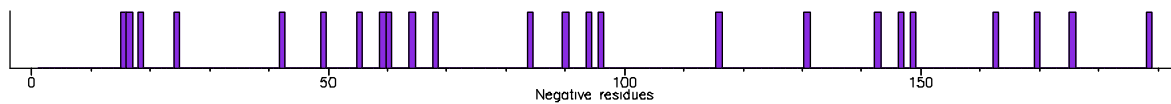

Charged residues in NM-007262 from position 1 to 189

Positive residues in NM-007262 from position 1 to 189

Negative residues in NM 007262 from position 1 to 189

Hydropathy plot of residues 1 to 189 of sequence NM-007262 using Kyte & Doolittle hydropathy paramete
